AMAZON INFLUENCER CHECKLIST 2026

Double Your Earnings in 30 Days

Presented by LinkMonitor

1. The Profile Basics

- ☐ Profile Picture: Clear, professional, smiling face (not a logo).
- ☐ Bio: Clear value proposition. Who are you helping?
- ☐ Storefront URL: Is it easy to remember? (e.g. amazon.com/shop/yourname)
- ☐ Social Links: Are all your social profiles linked correctly?

2. Content Strategy

- ☐ Vertical Video: Are you posting Reels/TikToks for every product?
- ☐ Tagging: Tag the EXACT product variant you demonstrate.
- ☐ Hook: Do the first 3 seconds grab attention?
- ☐ Call to Action: Tell them where to find the link ("Link in bio").

3. Driving Traffic

- ☐ Pinterest: Create Idea Pins for top-performing products.
- ☐ Instagram Stories: Use "Link" sticker daily.
- ☐ YouTube Shorts: Repurpose your vertical videos.
- ☐ Blog/Website: Create "Best X for Y" listicles.

4. The Silent Killer: Broken Links

Did you know 15% of Amazon links break every year? Products go out of stock, pages get deleted, and you lose commission.

- ☐ Check for 404 Errors: Manually click your top 50 links.
- ☐ Check for Out of Stock: Ensure promoted items are buyable.
- ☐ Update Old Links: Replace dead products with similar active ones.
- ☐ Monitor Tags: Ensure your affiliate tag is still active.

Want to automate this?

Stop checking links manually. Use LinkMonitor to scan your entire website or storefront automatically every day.
